

Dear Wayne County Neighbor,

As membership coordinator for The Arc of Wayne County I would like to take this opportunity to acquaint you with the role of The Arc in today's society.

Over the years I have been associated with numerous organizations that supported many nonprofit groups by simply providing monetary assistance.

Many years ago I had the good fortune to become involved with Special Olympics working with special needs children and adults at the grass roots level interacting with them face to face. What a revelation that was for me to see folks with limited abilities enjoying life to the fullest. Having been a part of helping them grow and achieve their dreams has been overwhelmingly rewarding for me.

Today as a member of The Arc I continue to reap the very same rewards. The Arc is a strong motivator for those with intellectual and developmental disabilities in providing them with opportunities for advancement in their lives.

The principal benefactor of The Arc of Wayne County is Dyberry Day Camp, which provides summertime activities for cognitively and physically challenged children, along with the social events that are held for adolescents and adults throughout the year.

You can learn more about The Arc by visiting the National Website at www.thearc.org, the PA Website at www.thearcpa.org or the Wayne County Website at www.thearcwaynecounty.org which also lists local contact information.

You can participate locally by simply providing financial support with an annual dues contribution of only \$10, or, if you wish, can additionally assist with any of our programs.

I invite you to become a member of The Arc of Wayne County by returning the form below with your dues check for \$10 or more to The Arc of Wayne County, PO Box 1121, Honesdale, PA 18431.

Cordially,

Al Baerenklau
